

KONE SIGNALIZATION

KSS 280

KSS 280 SIGNALIZATION

This functional new signalization family for residential buildings combines clear and simple features, good visibility, and easy accessibility with a sophisticated design.

The KSS 280 signalization family features durable finishing with hairline stainless steel surfaces and alphanumeric LCD displays.

The Car Operating Panel (COP) is surface mounted (KSC 286 or KSC 296) or optionally flush mounted (KSC 276), while the landing stations are surface mounted on the wall or door frame.
